**90
 YEARS**

As we celebrate 90 years serving the community in Albuquerque, we find there are

IN THE MAKING

many opportunities to expand our service in this very building! By upgrading and updating the MVCC facilities, our ability to serve our congregation, our community, and indeed our world will be greatly enhanced.

Over the years we have made many changes to Monte Vista, and now it is time to make more. Our Vision Plan to Step Out and Claim Our Future starts with making MVCC the most useful and welcoming place to worship and serve.

How do we do it?

There are many ways we can reach our goal of \$350,000 over the next three years but it will take all of us stepping out in faith as we make our pledges. Below is an example of gift amounts that will take us to our goal. Is \$75,000 not in your budget? How about \$10 a week? Over three years that would move us \$1,560 closer to our goal! God has given each of us different resources, and yours fits somewhere on this table!

Table of Gifts

One Gift of	\$75,000	\$25,000/year
One Gift of	\$50,000	\$321/week
Two Gifts of	\$30,000 ea	\$10,000/year

CAPITAL CAMPAIGN
 2021-2024

Our Vision

We as a congregation developed and approved an exciting Vision Plan to enrich our worship, revitalize our congregation, expand our community, and improve our outreach. In other words, to Step Out and Claim our Future.

In order to invest in Monte Vista's future, we need to bring our buildings up to code and into the Twenty-First Century. We must become ADA compliant, make our facilities as "green" as possible to be good stewards of God's world, and make MVCC an inviting place where all feel welcome, valued, and loved in Christ.

These projects include remodeling our Sanctuary, the Narthex, and Living Room/Library to make these spaces more hospitable; the replacement of our HVAC system and placing ramps and other accessibility features to ensure everyone can participate in all aspects of worship, and more.

Our Three-Year Goal

In order to fund these projects and complete the renewal of our facilities, we will need to raise \$350,000 over a three-year period (2021-2024).

The funds we raise in this campaign will cover many of the costs of the anticipated upgrades and will allow us to expand our services and invest in our future.
